To all Photography Students

Unit 2 Externally Set Task

You have had 5 weeks to prepare your **Externally Set Task** (the exam piece) which is worth **40%** of the final mark. A further display book was needed for this task.

The **preparation** should now be complete and organised in the display book ready for assessment.

In the next few sessions, (starting tomorrow) you will be working under controlled conditions to produce your final exam piece/s. You have a maximum of 10 hours to do this, which should be more than enough time to complete the task.

Photography Club 14 March

For tomorrow's session you will need to bring the completed **preparation** in your display book and your **pen drives** or memory cards. This is the first of your 10 hours Controlled Assessment, so make sure you come prepared to work on the selected images for your final piece/s.

See you tomorrow,

Colin Halsall
