**AQA Art & Design: Photography**

Dear Parent/Guardian,

**Photography Club: Extra Session on Tuesday 11 April.**

If your daughter/son has attended all the Set Task Sessions, they will have completed 5 hours of the allotted 10 hours. During the Easter break, I have arranged a further 5-hour session on Tuesday 11 April from 9.30am to 3.30pm. Students will need to bring their completed **preparation** in a display book and their **pen drives** or memory cards. This is the last of the 10 hours Controlled Assessment, so it is essential that they come prepared to work on the selected images for their final piece/s. They will be working under controlled conditions to produce the final exam piece/s. Their aim should be to select and enhance the chosen photos by enlarging, cropping and manipulating the images for their final exhibition piece/s.

When they have completed the task, the work will need to be mounted ready for the GCSE Exhibition. I will try to arrange further time for those students who have missed sessions through illness.

In the meantime, if you have any concerns about the progress that your son/daughter is making, about the course, or the set task, please give me a call on 0169729912 or email to:

Thanks,
