

The Photo Club Calendar

This is an extra-curricular activity and will not be timetabled. Students will be expected to attend after-school lessons in Photography on Tuesdays from 4pm-5pm. The course will be structured in a series of 5-week units spread out over the Autumn, Spring and Summer Terms. The last of these units will be the Controlled Assessment (Exam). At the end of the course each student will exhibit their photographic work. This will be assessed and then moderated by an external assessor.
