

**MAHARISHI SCHOOL**  
CONSCIOUSNESS - BASED EDUCATION

Monday 5th February 2018

Dear Parents and Carers

We would like Year 4 to have the opportunity to visit **The Catalyst Museum**, Liverpool on **Friday 23rd February 2018**.

The Catalyst museum is the only museum in the UK which explores the science and technology behind the chemical industry and its impact on our lives past and present through a host of hands-on exhibits, activities and demonstrations. Here, the children will test their knowledge of electrical circuits and then investigate how different switches can be used to turn things on and off. They then use everyday materials to construct some simple switches of their own and test them. We will then watch an interactive science show which aims to inspire pupils to think about the big questions being asked by people who work in physical sciences.

Could you please arrive at school for **09:00**, we will be leaving school by coach shortly after. We will be back for the end of school. Please ensure your child does their Word of Wisdom at home before school on this occasion. We will be returning in time for afternoon Word of Wisdom.

All pupils should be in full school uniform (including correct school shoes) and should remember to bring a packed lunch, which we recommend they bring in a backpack (school bought or other type) or otherwise in a disposable bag. No glass or fizzy drinks. They may also bring some money to spend in the shop if they wish (this is optional).

The suggested donation towards the cost of this trip is £18. Payment and consent should be done on ParentPay ([www.parentpay.com](http://www.parentpay.com)) as soon as possible. If you are unable to contribute towards the cost of this trip please confirm this to the Bursar, via the school office, with a signed note addressed to Trip Finance, giving consent for your child to go on the trip.

Thank you for your continued support.

Allan Lowrie

**Year 4 Teacher.**

Maharishi School trips are made possible by a generous contribution from the school Fundraising and Celebration Committee.

Headteacher: Mrs L Edwards BA(Hons), PGCE.
