Dear Parents/Carers,

Externally Set Assignment

As you know, the Y10 photography group have now started their exam project ('Externally Set Assignment').

The exam project runs over 2 phases - they are currently in the first phase (also called 'preparation time') - researching, taking photographs, editing, experimenting, refining etc. and by the end of this time they will have decided which aspect/s of their work they will develop into the final outcome of their project.

Following this 'preparation time', there will be 10 hours of supervised exam time in which the students will work independently, completing their project.

The 10 hours are scheduled to take place during these sessions:

Friday 13 April 1:00pm - 5:00pm
Wednesday 18 April 4:00pm - 6:00pm
Friday 20 April 1:00pm - 5:00pm
Wednesday 25 April 4:00pm - 6:00pm
Friday 27 April 1:00pm - 5:00pm
Wednesday 2 May 4:00pm - 6:00pm

We have planned in wrap around time for setting up and tidying away and also a 'safety zone' in case of any technical issues. There is also time built into these sessions for any pupils who have been awarded extra time in their exams.
