

## MAHARISHI SCHOOL

CONSCIOUSNESS - BASED EDUCATION

Dear Parent/Carers

For several years now, in order to boost all of our pupil's reading ability, and develop their enthusiasm for reading, we subscribed to a website called Reading Eggs. The subscription is going to run out in the next few weeks. This website comes highly recommended by both children and parents! This is the website address if you would like to look at it: <http://readingeggs.co.uk>

Your child will need access to the internet at home (on a laptop or smart phone/device) or in a library to access the program. When a child logs on for the very first time the website gives them a fun test which places them at the right place on the programme dependent on their reading ability. It then gives them imaginative worlds to explore with many different exciting games to develop their reading level. The website is aimed at children aged 4-13 years old.

If you as a parent wanted to subscribe your child to the website it would cost you £39.95 for a year. However, if you subscribe through the school it will cost you only **£8.06 for a year** for your child. What a saving! We would love to provide you with this fantastic opportunity to further develop your child's reading for only £8.06 for a year!

If you would like to take advantage of this wonderful opportunity for your child can you please pay the **£8.06** using **Parent Pay by Friday 8<sup>th</sup> December**. If you have not paid using Parent Pay by this date your child will not be able to sign up at a later date. We will then subscribe your child (or re-subscribe your child) and send their log in details home so they can start/continue enjoying Reading Eggs as soon as possible!

If you have difficulty paying this amount but would like your child to have access to the Reading Eggs program please contact the school office.

Thank you for your continued support.  
Miss Copplestone – Deputy Head teacher of Primary phase
