CONSCIOUSNESS - BASED EDUCATION

27 November 2017

Dear Parents/Carers

As you will be aware, your child is currently sitting mock GCSE examinations. We hope that they have been working hard and we would like to thank you for the support that you are giving them.

We would like to invite all parents and year 11 pupils to a very important meeting on **Wednesday, 13 December from 4:10 - 6:00pm**. The structure of the evening will be 30 minutes of presentation from teaching staff where we will be discussing the lead up to the exams. We will then be issuing 2 sets of results to each pupil. They will receive their grades based on their mock exam results and any completed controlled assessments. They will also receive another set of results which are based on what the teacher predicts the pupil should be capable of achieving if they are committed and do everything that the teacher advises them to do from now until the actual GCSE exams in the summer.

Following the distribution of the individual results, parents will be invited to see all of the teachers in a traditional Parents Evening format which allows for 10 minutes per teacher. You will find an appointment time sheet that your child will need to schedule interviews for you by approaching their teachers.

We feel very strongly that in order for the pupils to succeed and do their very best, there needs to be support from both school and home. For this reason, we are recommending that all parents come to this meeting to gain a better understanding of where their children are up to and what is expected of them over the coming months.

Could you please complete the reply slip to confirm your attendance at the meeting or alternatively telephone the secondary phase office and let
