

MAHARISHI SCHOOL
CONSCIOUSNESS - BASED EDUCATION

Friday 14th September 2018

Dear Parents and Carers,

We would like Years 4, 5 and 6 to have the exciting opportunity to take part in a **Virtual Reality session** on **Monday 15th October 2018**.

PrimeVR are an educational company who deliver workshops nationwide by a team of qualified teachers, and who are passionate and knowledgeable about bringing the curriculum to life. The idea of these workshops is to fully immerse the children in an environment that we would otherwise never be able to witness. Using the VR headsets, the children will be able to witness the lives of the Vikings (Year 4), travel through space (Year 5) and experiencing the enormous pyramids built by the Egyptians (Year 6).

Could **Year 6** please arrive at school for **09:00**, as PrimeVR will want to begin the sessions promptly at **09:15**. Each session will last approximately 1 hour per class.

The suggested donation towards the cost of this workshop is £3. Payment and consent should be done on ParentPay (www.parentpay.com) by 1st October.

Thank you for your continued support.
