

MAHARISHI SCHOOL
CONSCIOUSNESS - BASED EDUCATION

24th April 2019

Dear parents/carers

On Tuesday 14th May we will be taking the Year 7 and 8 pupils on a trip to Edge Hill University for a one-day workshop developed by The Transformation Trust, and supported by Dell EMC. The workshop will offer the opportunity for students to use the latest Dell technology in a collaborative problem solving challenge with a focus on community activism. This will be an opportunity to increase professional aspirations in the field of IT, whilst simultaneously communicating a message of inclusion in higher education and illuminating the connection between education and employment in the IT sector.

The cost of the day is £4. Could you please make this payment on Parentpay by Thursday 9th May.

Please ensure that pupils arrive at school at 8:50 a.m on this day because the coach will be leaving school promptly at 9:00 a.m. Pupils will need to bring a packed lunch with them and wear full school uniform.

Yours sincerely

Mrs Walters
