

**MAHARISHI SCHOOL**  
CONSCIOUSNESS - BASED EDUCATION

Friday 7<sup>th</sup> June 2019

Dear Year 1 Parents/Carers,

In our art lessons we have been learning about Andy Goldsworthy, the British artist who produces natural sculptures and environmental and land art. Goldsworthy produces artwork using natural materials (such as flowers, mud, ice, leaves, twigs, pebbles, boulders, snow, thorns, bark, grass and pine cones). Much of his work is made outside and is meant to be temporary.

In order to enhance and enrich the children's experience of their study of Andy Goldsworthy, I would like them to visit the Beacon Country Park in Skelmersdale on the afternoon of **Wednesday 26th June 2019** (we will be travelling in our minibus) where they will have the freedom of expression to make their very own structures using an array of natural materials. We will be taking photographs of their work.

For this to happen I need your permission to take your child out of school. **Please fill in the consent form below and return by Wednesday 19<sup>th</sup> June 2019.**

Thank you for your co-operation and very best wishes

Mrs Painter-Chapman.
