

MAHARISHI SCHOOL
CONSCIOUSNESS - BASED EDUCATION

10th September 2019

Dear Parents and Carers

We would like Year 4 to have the opportunity to visit the Catalyst Museum on **Tuesday 8th October 2019**.

As part of our current (no pun intended) Exciting Electricity topic in science, the children will be learning about how to generate and apply energy. This can be explored in different 'hands on' ways at the Catalyst Museum in Runcorn. They will also take part in a circuits workshop where they will work in groups to create their own switch and complete circuit.

On this day, we will be leaving school by 9:45 so please ensure your child arrives at school promptly for our 9:15 start. We will be back by the end of school.

All pupils should be in full school uniform (including correct school shoes) and should remember to bring a packed lunch, which we recommend they bring in a backpack (school bought or other type) or otherwise in a disposable bag. No glass or fizzy drinks.

The suggested donation towards the cost of this trip is **£19.00**. Payment and consent should be done on ParentPay (www.parentpay.com) by Friday 27th September. If you are unable to contribute towards the cost of this trip please confirm this to the Bursar, via the school office, with a signed note addressed to Trip Finance, giving consent for your child to go on the trip. Please note that if there are not enough contributions towards the cost of the trip it may not go ahead, in which case any payments received will be refunded.

Thank you for your continued support.

Miss Lunn

Year 4 Teacher.

Headteacher: Mrs L Edwards BA(Hons), PGCE.
